Application Procedure: The Artisans Open Air Market is a producer-only event (artists or their direct representative must create what they sell) and the art must be handcrafted by an Alaskan artist. Artists are selected by a jury which bases its decisions on the quality and originality of the work submitted. Potential Artisans Open Air Market artists must submit an application completed in full, as well as three to five photographs (digital files) of each medium intended for sale. Artwork must be submitted as it would be displayed and sold at the Artisans Open Air Market; no unfinished or in-progress works are eligible for review. Applying to participate in the Artisans Open Air Market does not guarantee inclusion. To ensure excellent quality and variety of products, opportunities to participate may be limited. AFTER THE INITIAL DEADLINE, ARTISTS MAY BE ADMITTED ON A ROLLING, SPACE-AVAILABLE BASIS.
