Lots of changes this year. New teachers and new schedules but the **DATES HAVE STAYED THE SAME.**

We are pleased to have 3 instructors flying up from the Boulder Colorado area. Ariana joined us for a small workshop in early January and the seed was planted to come back to help us with the Green Light Circus. She is currently teaching circus arts in a school in Boulder. Ariana is the lead instructor and you can see some of the things she does at <http://dancedreamsalive.com/>. She will also be bringing two fellow instructors Marisa Kellogg and Benjamin Mobley. We are very excited to have this new energy and fresh ideas heading our way.

We would like to have a small meet and greet on Monday the 29th from 5-7 (potluck). This would be a great chance for the kids and parents to get to know our new friends and for them to meet some of the parents behind our awesome children.
