DAC and Talkeetna Arts Guild is pleased to announce a fine arts camp for kids this summer. This camp will be taught by Erin Kelly, a certified K-12 art teacher with a BA in Studio Art from the University of Maine, Orono. She is the incoming Talkeetna Elementary School Art teacher. Her experience includes teaching pre-k-12 art in the U.S. and internationally and teaching ESL and the core subjects to elementary students in Central America and Southeast Asia. We are pleased to be welcoming her into our community.

Art Camp will have an around the world theme with projects based on art history and current crafts that are being created in far-away places. The lessons will build on global awareness and life skills such as creative decision making, perseverance, problem solving and making connections.

All art supplies, facility, and teaching fees are included.

Please send students to camp wearing clothing that can get messy, with a refillable water bottle, and a peanut free bag lunch and snacks.

This is camp that requires good listening skills and focus, we will take short breaks, especially for the younger students.

We're looking forward to having fun and getting super creative!!
